Fall 2011

THE DENTAL FOUNDATION OF OREGON

## For some, dental care is a new experience

**S**alvador and Mario Martinez, are 11th and 12th graders at Aloha High School. Both were more than a little nervous about seeing the dentist, but had been experiencing dental pain which caused them to miss school.

Sadly, it is not uncommon for children who climb aboard the Tooth Taxi to be experiencing their first or second visit to a dentist in their lifetime.

Mario was first in the chair and was greeted warmly by Tooth Taxi dentist, Dr. Jennifer McLeod and her dental assistant, Catherine Johnson. They worked gently to make Mario feel comfortable since this was only his second visit ever to a dentist. They began providing treatment to him while talking about the importance of good oral hygiene. Along with some tips on brushing and flossing, when his treatment was complete, they handed him an oral hygiene kit that included a tooth brush, toothpaste, floss, a mirror and a brushing timer—and more instructions on why it is important to take care of your teeth. Mario reported afterwards that the care and instruction was gentle and helpful, and he flashed a big smile and exclaimed, “Turned out way better than I thought it would. I loved the Tooth Taxi!”

*continues on page 3 >>*

*Mario Vargas Martinez, with his mother Alicia, and little sister, fills out paperwork before treatment on the Tooth Taxi.*

### Tooth Taxi accomplishments

*September 4, 2008 – August 26, 2011*

**10,248** students screened

**7,952** students received oral hygiene education in the classroom

**3,984** students treated in the van

**\$ 2,544,866** value of free dental services provided

*In three years, the Tooth Taxi has made a significant difference in the lives of thousands of children throughout Oregon thanks to people like you!*

# You've Gotta Have Friends

By Charlie LaTourette, DFO Executive Director

**M**EEETING THE ORAL HEALTH NEEDS of so many underserved children in Oregon is a daunting task, but fortunately we are not alone in the effort.

We are fortunate that many dental professionals provide free care in their offices, volunteer in local clinics and serve on the Tooth Taxi.

And we are thankful to have OEA Choice Trust and ODS Health as strategic partners on the van. Their significant investments and in-kind support make the Tooth Taxi possible. Both organizations recently announced very generous \$150,000 grants to help keep the van running, but we need to match their donations with corporate and individual giving.

We have also received outstanding support from many Oregon foundations and companies who care deeply about children's oral health.

I am very humbled by the generous support received from many individuals who have made small donations to support the Tooth Taxi. I will never forget the mother of a child treated on the van who took the last \$2 out of her purse and said, "This is all I have, but I want to give it to the Tooth Taxi so you can help other children, too."

The Tooth Taxi is one of the most unique and effective oral health programs ever launched in Oregon, thanks to the work of our staff, volunteer professionals and many, many friends.

Thank you for your friendship and for helping to make a difference in the lives of so many children.

*The DFO mission is: Improving oral health for Oregon's children.*

*Founded in 1982 by the Oregon Dental Association, the Dental Foundation of Oregon (DFO) is a state-wide non-profit organization that works to improve oral health for Oregonians. As the charitable arm of the dental association, DFO promotes oral health education, encourages dental professionals to volunteer in their offices and community dental clinics, supports non-profit dental clinics with community grants and delivers direct care and oral health education on its mobile dental clinic, the Tooth Taxi.*

## 2011 DFO Board of Directors

**Rickland G. Asai, DMD, President**

**C.J. McLeod, Vice-President**

**Robert G. Gootee, Secretary/Treasurer**

**Amy L. Benson, RDH**

**Kenneth R. Berg, DMD**

**Michael J. Goger, DMD**

**Keith W. Lovett**

**Patrick M. Nearing, DMD**

**Steven M. Simmons, DMD**

**William S. Ten Pas, DMD**

**Thomas S. Tucker, DMD**

**Renee E. Watts, DDS**

**William E. Zepp, CAE**

## Board Member Emeritus

**George "Jim" Darke, DDS**

## DFO Staff

**Charlie LaTourette, Executive Director**

**Judy Edgerly, Coordinator,  
Development and Planned Giving**

The DFO is a registered US non-profit 501(c)3 organization.  
Our Federal Tax ID # is 93-0818476.

And speaking of friends, now you can "Friend us" on Facebook. Check it out:

## Tooth Taxi, continued from front cover...

Mario's brother, Salvador was next to climb into the dental chair. He put his head back to watch a video on the ceiling TV screen and tried to relax while Dr. McLeod examined his mouth. He was pretty nervous since it was his first visit to the dentist. Dr. McLeod discovered that Mario had decay in his two front teeth which had been causing him pain and she went right to work placing composite fillings in his teeth.

Salvador's mother, Alicia, told us that her son had been in pain for quite some time and that he was taking Tylenol and having trouble eating. He was also missing school and was not smiling because of the appearance of his teeth.

When Salvador's treatment was finished, he couldn't stop running his tongue along his new front teeth and admiring how smooth they were. He invited his friends over to "check out" his new

teeth, and his teachers reported he even stopped by the school office that morning to show them his teeth and a new confident smile.

Mario and Salvador are just two of the thousands of underserved children who have been helped by the Tooth Taxi team in the last three years.

"One of the great things about the Tooth Taxi is that we are providing a positive experience for a large number of children who have little or no experience visiting a dentist," said Mary Daly, Tooth Taxi Program Manager. "And helping children understand the importance of good oral health, and giving them the tools to stay healthy, is half the battle."

*Dental Assistant Chanel Kim with Salvador, following his treatment.*

## Over 7,000 Graduates and Counting...

In addition to spending up to a week at a school, what makes the Tooth Taxi so unique is our in-classroom oral hygiene education program.

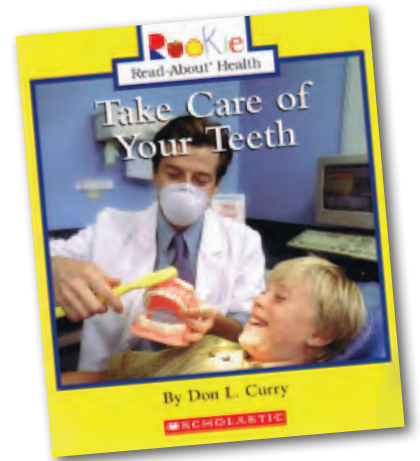

As of July 31, 2011, we have delivered oral health education to over 7,000 children in schools throughout the state. "We know education is critically important to changing behavior," said Mary Daly, Tooth Taxi Program Manager. "And our class presentations are informative but also a lot of fun. As any teacher will tell you, it is difficult to keep children's attention."

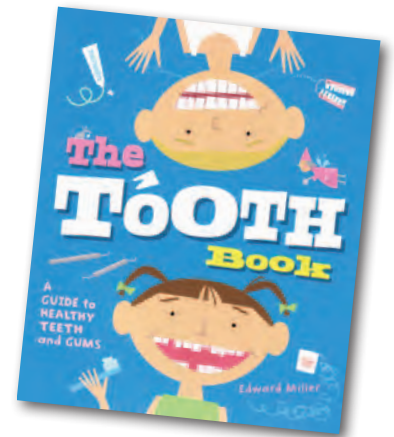

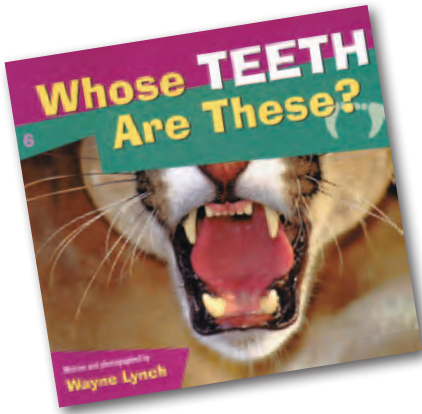

## Sponsor a Tooth Taxi Library Pack!

Each school we visit receives a free Tooth Taxi Library Pack of four colorful children's books on oral health. The books are donated to the schools by the program or by community members who purchase the pack for \$50.

Each donor gets a recognition sticker placed in the front of the book. It's a great way to demonstrate your support for your local school and children's oral health.

To order your Tooth Taxi Library Pack, visit [www.SmileOnOregon.org](http://www.SmileOnOregon.org) or call the DFO office at 503-594-0880.

# THANK YOU!

# DFO Community Grants Make a Real Difference

The Dental Foundation of Oregon awarded eight grants this year to outstanding organizations who are helping improve children's oral health across Oregon.

## 2011 Grantees include:

- \$5,000 to the Assistance League of Eugene—Children's Dental Center
- \$5,000 to the Beaverton Rotary Foundation—Dental Check/Dental Aid program
- \$5,000 to the Dental Health Solutions for Children, Salem-Keizer Public Schools
- \$4,500 to the Deschutes County Healthy Beginnings—free screenings and dental education
- \$2,000 to the Multnomah Dental Society Annual Children's Health Fair
- \$10,000 to Oregon Mission of Mercy—free dental clinic at the Oregon Convention Center
- \$10,000 to Upstream Public Health—promoting improvement in children's oral health
- \$2,500 to the Virginia Garcia Memorial Health Center—OB Baby Dental Program

Programs like the **Multnomah Dental Society's Children's Health Fair**, which provides urgent dental care and oral health education to over 400 underserved children with the help of over 150 dental professional volunteers.

>> Since its inception, the DFO Community Grant program has provided over \$1 million to nonprofit dental programs and helped over 200,000 Oregonians get free dental care and oral health education. <<

## Oregon's Mission of Mercy,

a two day free dental clinic which will be held again at the Oregon Convention Center on November 21–22, 2011. The 2010 event provided care and education to over 1,500 underserved Oregonians, with the help of over 1,200 dental professionals and community volunteers.

# Cornerstone Society Profile

Dr. Renee Watts

**A SINCERE THANK YOU** to Dr. Renee Watts for joining other leaders in dentistry by choosing to include the DFO in her estate plans.

"I enjoy helping people in providing direct, hands-on dental care, but being part of a group like the Dental Foundation of Oregon helps us accomplish greater goals than any of us could achieve individually," said Dr. Watts. "Projects like the Tooth Taxi need many individuals and partners to succeed and it's rewarding to be a small part of that."

Dr. Watts graduated from the University of Minnesota School of Dentistry in 1994 and has been an Oregonian since 1999. She received the 2004 Volunteer Dentist of the Year Award from the Dental Foundation of Oregon and began serving on the Foundation's Board of Directors in 2011. Dr. Watts currently serves as president of the Lane County Dental Society and in other Oregon Dental Association leadership roles. She has been a member of the Greenhill Humane Society Board of Directors since 2006. In her free time, she enjoys a variety of sports, reading and spending time with her dogs.

## Joining the DFO Cornerstone Society Is Easy

The only qualification for membership is to notify the Dental Foundation of Oregon that some sort of testamentary provision has been made. The size of the gift need not be disclosed. Simply call the DFO staff or notify them in writing the nature of your bequest or charitable gift plan. You may wish to share a copy of the specific section of your will or trust document referencing the DFO; all information is held in strict confidence. You may also designate your membership as anonymous.

## 2011 George A. Ronning Humanitarian Award goes to Oregon MOM Project

William E. Zepp, Executive Director of the Oregon Dental Association accepted the 2011 George A. Ronning Humanitarian Award on behalf of the 2010 Oregon Mission of Mercy. Over 1,200 volunteers—including many dental professionals—worked at the 2010 Oregon Mission of Mercy event during Thanksgiving week to help thousands of underserved Oregonians get free dental care.

The award is given annually in honor of the late George A. Ronning, DMD, who was a member of the Oregon Society of Periodontists, Speaker of the House of Delegates for the Oregon Dental Association, and a leader in organized dentistry.

The 2011 Oregon MOM project is scheduled for Monday and Tuesday, November 21-22 at the Oregon Convention Center in Portland. For more information and to volunteer, visit the ODA website at [www.oregondental.org](http://www.oregondental.org).

# 2011 Donor List

The Dental Foundation of Oregon would like to  
**THANK EVERYONE** for their generous contributions.

2011 donors, current as of 8/31/2011

The Foundation has made every attempt to recognize everyone accurately. If you find an error, however, please contact DFO Executive Director, Charlie LaTourette, via email or at 503-594-0881.
